## CIRCULAR

*“Education is the foundation of all we do in life. It shapes Who we are and What we Aspire to be”.*

- Julie Payette

Dear Parents/Guardian,

Season's Greetings from Loyola Convent School.

As this academic year gracefully comes to an end and we eagerly prepare for the journey ahead, I want to express my deepest gratitude for your unwavering support and steadfast commitment. This year too we have been successful in turning challenges into opportunities and ensuring that our students and parents receive not only the finest education but also the warmth of personal care and guidance. Your trust, encouragement, and partnership have been the pillars of our progress, and we look forward to embracing another year of learning, growth, and excellence with you. We are proud to share that our students have achieved new milestones with outstanding AISSE (Class-X) & AISSCE (Class-XII) results. Many of them have excelled in prestigious exams such as JEE, NEET, CA, NIFT, CUET, CPT, CLAT among others. Additionally, we are delighted to announce that our students have brought laurels to the school by winning numerous awards in sports, games, and extracurricular activities. Their dedication and achievements continue to inspire us all.

Being a 21st-century institution, we are committed to shaping lifelong learners who are academic achievers, progressive thinkers, and responsible global citizens. The transformation from conventional classrooms to smart, interactive classrooms equipped with the latest software is a testament to our pursuit of excellence in education.

Parents are requested to ensure that their wards do not carry mobile phones to school. Girls (living in lodges) of classes XI and XII are allowed to bring feature phones (not smartphones), which must be deposited with their class teachers before the start of each school day. Any student found using a mobile phone within the school premises will face disciplinary action.

This year CBSE has chosen STEM (Science, Technology, Engineering, Maths) education as its annual training theme for 2025. This initiative is designed to help students develop essential skills such as Critical thinking, Problem solving and Innovation which are becoming increasingly vital in a technology-driven world.

Let us all work together to make school life enriching and memorable for our students.

Finally, I would like to thank you in anticipation of your support. Together, we have learned much and shared experiences that will remain in our hearts for years to come. The passion & strength within our community makes our school truly a special place for our children and a place that I am not only extremely proud to lead, but also one that I can call Home.

I take this opportunity to wish both parents students a most enjoyable break & we look forward to welcoming students back refreshed & ready to work hard over the next session.

We should be pleased to provide any further information that you may require, and we also appreciate your valuable suggestions for all round development of the organization. For further updates kindly check the school website (<https://www.loyolaconventschool.com>).

Yours truly,  
 Mrs. P. Saha  
 (Principal)
